Attendees: Kathie Macnab, Shelley Burns, Ina Demme , ?

Call to order 8:00 EST

Discussions -

- CBF STaC – Feb. 14 – 18, 2022. There are only a few clubs playing in person. We will go ahead with our STaC and hope for the best. Kathie will check with Greg for maybe being able to have a “Royal STaC”.
- No word from A. Grant or Baron Barclay on the Ultimate Game documentary.
- Zone 2 Board member -- We will send out a Zone 2 memo to ask for interested persons from Quebec/Ottawa to sit on CBF board.
- Free membership -A few new members but not a lot. Zone directors should try to get a message out to the members of their Zone for the next game (Saturday February 19th) and while you are do that, don't forget to mention the 3-year free CBF membership.
- Real Bridge versus BBO? BBO tested and there is not much to like about BBO video. Shelley has some sessions booked for her club to practice RealBridge.
 - BBO with video is off the table.
 - We have Canadian directors for RealBridge
 - Events on RealBridge will be: CNTC-Open RR and playoffs; CWTC Open and playoffs; CNMT RR and playoffs; CNST RR and playoffs
 - Events for BBO – CNTC-C; CNTC-B; COPC and CIPC.
 - We have to decide on the subsidy/prize for the Championships. CNTC-B & C in the past have received cash prizes, but BBO frowns on that. Ideas?
 - How much subsidy to we give to the Championship teams.
 - Fact – to be financially responsible we must look at raising the cost of the game (Covid issues) Not worrying about profit, just want to cover our costs.
- Future Canadian Championships. Need locations.
