1. CBC requirement to have Zoom in addition to BBO – We had proposed requirement for Zoom in addition to BBO. Many players have told us they would not have signed up if they knew this would be required. It was not in original Conditions of Contest.
2. Ina to send letter to Captains saying that we encourage use of video but it is not required. We have listened to all the comments. Keep in mind that it is likely to be a requirement in the future. Send draft to Board members to review.
