A. Types of Games Allowed

- 1. Stratified Open Pairs** — combined for overall awards (see masterpoint limits below).
- 2. Stratified Swiss Teams** — Swiss Team overall awards are based only on the entry at each individual site.
- 3. Novice, 99er, 199er or 299er Games** or any Intermediate Novice Game.
- 4. Invitational Games** – use same limits as for open pairs, will be combined for overall ranking .

B. Participating Club Rules

- 1.** Any club within the area of participation noted above may hold a STAC game in lieu of its regularly scheduled club game. Additional games may be held, as noted above.
- 2.** The ACBL General Convention Chart will be used. Conventions and systems not allowed by the General Convention Chart will not be allowed.
- 3.** Invitational games will be scored and ranked as sectionally rated Championship events with 1 restriction unless these games are opened to all players and advertised as such.
- 4.** Limited masterpoint games will be scored and ranked alone unless a like limited masterpoint game is held at one or more other STAC sites. In this case, these games will be scored together for overall rankings and masterpoint awards.
- 5.** Non-playing directors are encouraged but not required for games with no more than one section of 17 tables or less. **Non-playing directors are required in games larger than 17 tables or with two or more sections.**
- 6. In the Canada Wide STAC, playing directors will be allowed to place in the overall rankings.**
- 7.** If hand records are used you must download them from ACBL's web site.
- 8.** Each club must report its results to the DIC, **within 24** hours from the end of the game (12 hours for the final session).
- 9.** The CBF STAC has no restrictions on the size of games for overall awards.

NOTE: PLEASE READ THIS: Club games not reported within the 24 hour time limit will be scored, ranked, and issued masterpoints as a sectionally rated side game and will not be included in the Overall Awards. Any game not reported within 12 hours of the final session will be returned to the club to be rescored as a club game.

A club must post a copy of the recap for inspection at the end of each session.

Reporting will be by e-mail attachment of the game file. Arrangements may be made with the DIC to report by voice. Reporting procedures are as follows:

If you are using ACBLSCOR, copy your file to a disk or flash drive (stick) and email your results by paper clipping the file to your email to the director in charge.
